solidated shops, had the fingers of his left ten, and that human beings shall not ever hand amputated by a buzz saw Tuesday, notwithstanding that he was accounted a very careful and competant workman.

dull in Hartford lately that the Sunday papers are obliged to resort to a bantering controversy on their respective circulations in order to preserve their wonted fresh-

A man named Michael Reardon charged with bastardy by a maiden named Mary Rooney has got his name on the court register of Common Pleas for the September term. We do not know whether Michael contemplated getting into politics and running for President.

The Labor League met again Thursday of the situation resolved to continue regu- country. lar meetings. A business committee of one from each ward was selected, and a plan of action is to be mapped out immediately for the fall campaign. The League meets again on Friday evening July 16. All earnest workers are requested to send in their names for active membership.

An elderly man with grey beard and intelligent looking, might be seen on Ann was the standard. Before the engagement street Friday noon, occasionally stopping of the day commenced one of the captains on his journey to sing snatches of old songs was captured by a Philistine deputy sheriff repertoire. He was evidently very badly that the Lord would open his prison cell the State is kindly solicitous for his comfort was not pleased with the conduct of his

Hall building, but the second dispatch preachi stating that she was not badly bruised kept vation. down the emblem of mourning. We should think that Collie would now go slow for a while, seeing that the firm is running only eight hours a day and not every day at

Garvie was about right. Mammoth Posters have come from New Britain announcing a grand re-union picnic of the several assemblies K. of L. there on Tuesday, July 6, at Rentschler's Park. The program is very diversified, consisting of ball games, "handicaps," wheelbarrow races, and the like, with prizes for the lucky ones; and Edward King, Col. Hinton, and James Quinn of "Home Club" notoriety of New York, with Robert Pyne of Hartford are announced to speak to the assembled multitude. If stormy, the affair will be postponed to the next fair

Glastonbury Thursday afternoon by jumping into the river under one of the paddle wheels as the boat was leaving the wharf. It is reported that he sought admission to the Hartford hospital recently, but was refused owing to the nature of his disease. Probably John suffered from want of cash or credit. However, the way of the transgressor is hard. If the unfortunate had spent his leisure hours in the perusal of such papers as THE EXAMINER, his mind would receive a different bent and his body a different burial.

"respectable" Republican Mayor. What a strange kind of creature Democracy is growing to be.

Our esteemed friend, Mr. M. F. Scanlan of the Connecticut Catholic, is again in the papers as having had another promotion, not technically, but financially. He has been transferred to the post of Superintendent of Castle Garden, down in the book as worth \$2,000 per annum, but it is said that certain perquisites cause it to which allowed this inhuman store-keeper to do just what he has done. She went to an attorney about it. He talked glibly about burglary, criminal case, etc., until he learned who the party was, then he took it all back. Now The Examiner has a word to say. This woman is entitled in equity to some return for the money paid in, and if it is not returned we shall publicly name the firm which perpetrated this infamous wreng.

The High school graduating exercises last Monday at the City Hall, were a most enjoyable and creditable entertainment. is said that certain perquisites cause it to mous wrong.

above, overlooking the river and the village. After dinner, an address on the geological structure of the Connecticut valley was delivered by Mr. Kimball, which was intensely interesting to the very intelligant company of ladies and gentlemen there assembled; after which a lecture on the A milk pan full of corn from a freight peculiar botanic characteristics of the thanking the party for their hospitable courtesy and then spoke on the subject of Evolution, as believed by learned Hindoos. The party returned on the five o'clock train.

Hartford seems to display no concern for the great political strife across the water. quiet but staunch workers among the societies who love it all the time? Gladstone pany with its owner. Swear that the epidie of hunger in the midst of plenty.

The discourse of the Rev. Mr. Kimball at the Labor Lyceum Sunday evening was the The New York Steamboat Company most thorough and brilliant yet delivered will give an excursion to New York on Saturday, to return Tuesday, affording an opportunity for excursionists to lay over Evolution, yet all leaning on the Labor and witness the fireworks Monday evening question. Questions were asked and dis-Gossip and scandal news has been so cussion followed on the inquiry, "Where could the thousands of men employed in the manufacture and sale of intoxicants now find employment, with every avenue already closed to thousands of other citizens, providing that a decree was enforced closing every saloon and distillery in the land?" We intended to publish Mr. Kimball's lecture and were promised the manuscript, but found the gentlemam already off on his vacation on sending for it. Mr. Joshee, the Hindoo Brhaman, was also present, and promiced to speak this Sunday evening, if only able to get back from his intended trip to other cities. He will give evening, and after a thorough discussion an idea of how laborers fare in his far off

The Salvation Army of the State held a convention here on Wednesday. The local garrison, which consists of three or four warriors, male and female, met and escorted the whole grand army from Union depot to the barracks. There regimental bands consolidated and consisted of a cornet, drum, and three tambourines. A red flag "off;" yet one of the kind for whom only and set him free. But evidently the Lord employes may enjoy the glorious Fourth, which Prompt attention will be given. when the first news reached the city remain in durance vile until taken off by of "Collie" Colts yacht Dauntless having been wrecked on her return from the Members of the Salvation Army seem to Marblehead race-course, it was suggested be no more impervious to attacks from the to send the flag up to half mast on the City Black Prince than members of other armies nan & Burns on our sewers. BIRMINGHAM. All the shops using water power in Shelton will be closed for a week or ten days. The strike of the mule spinners continues. So far no help has been obtained to fill the

A Land League meeting will be held at the Rink next Wednesday evening, July 7th. Those interested in the affairs of Ireland are expected to throng the hall.

The Derby Transcript, heretofore seemingly indifferent to the labor question, comes What can the matter be? Where are all the patriots that love Ireland so ardently on great occasions, and especially on the eve of Lake shore switchmen. The Transcript is American elections? And where are the informed that the strikers have no complaint against the company, but only intended to paralyze the traffic of the road, incorruption of the enemies of freedom, and destroy the property of their employers, bethere are a great many loose dollars around that can be easily influenced into one common "pot" that will boil for liberty. Sarsfields set the ball a rolling We know of at believes the statements it makes, but i statements in the face of all testimony to taph of the immortal Emmet shall be writ- the contrary. Surely it can believe the Associated Press when it conveys censure of the bosses. The cause of the strike of the Lake Shore Switchmen was on account of the Company failing to keep an agreement previously made with their employes, and the strike was to hold them to their agreement. We are opposed to strikes as a remedy for the ills that afflict the workingman, unless it be a strike at the ballot box; but at the same time we sympathize with the men who are forced to such actions. The blame for strikes should be put where it belongs; and in nine cases ont of ten employers force them upon their work-people
